"Freshly prepared, thoughtfully packed, and full of flavor — every compostable tray is a perfect balance of taste and nutrition. From tender, saucy bites to vibrant vegetables and wholesome grains, our meals are crafted to satisfy your hunger while honoring the planet.
By choosing sustainably sourced ingredients and eco-friendly packaging, we ensure that care goes into every serving — because good food should feel as good for the Earth as it tastes for you."

Oval Snack Split Plate

This compact oval plate features a smart two-compartment design: one section for dips, chutneys, or sauces, and the other for small snacks or bites. Perfect for cafés, bakeries, food trucks, and quick-serve menus, it keeps portions neat, flavors separate, and presentation on point — all while being eco-friendly

Tri-Bite Plate

TriBite plate Three edges. One perfect bite.
The Aaroyaa TriByte Plate is designed for desserts that deserve attention. Its bold triangular form frames slices, brownies, and plated sweets beautifully, turning every small portion into a statement serve. Ideal for dessert counters, tasting menus, and grab-and-go displays, TriBite brings sharp design, clean portions, and planet-friendly style together in one striking plate.

Sushi Tray

The Sushi Tray is designed to present sushi and delicate food items with clarity and elegance. Its structured layout allows rolls, nigiri, and accompaniments to remain neatly arranged, preserving both form and freshness.

Kiwi Mini Bowl

120ml KIWI MINI BOWL

Enjoy your favorite ice cream guilt-free with our eco-friendly bowls. Made from renewable plant fibers, they stay strong and leak-free even with the coldest scoops, giving you a premium plastic-free experience. When you're done, the bowl composts naturally, returning to the soil instead of a landfill — a sweet treat that's kind to the planet.

Ovaluxe Plates

230ml OVAL TRAY

The Oval Tray is designed to elevate everyday servings with a refined, contemporary shape. Its smooth contours offer a natural flow for food presentation, making it ideal for snacks, dry foods, desserts, and light meal accompaniments.
